This historiography was prepared individually for the Rondot surname on March 27, 1974 at the request of

Mr. William B. Rondot
3714 Nokomis Road
Fort Wayne, Indiana 46809

The coat of arms illustrated left was drawn by a heraldic artist based upon information about the Rondot surname and its association with heraldry. In the language of the ancient heralds, the arms are described as follows:

"Quartered: 1st, or; the letter "R" sa.; 2nd and 3rd, az.; two swords in saltire arg.; 4th, or.; a fess sa. Charged with a small inner shield arg."

The Rondot arms is translated:

Divided into quarters: 1st quarter, gold background; a black initial "R"; 2nd and 3rd quarters, blue background; 2 silver swords crossed diagonally; 4th quarter, gold background; a black horiz. band. A small silver inner shield placed over all.

Swords symbolize military honor, virtue in battle. Seven vivid colors were chosen for use on shields of armor clad knights to easily identify them at a distance. The heraldic colors gold, silver, purple, blue, green, black, and red, were preserved on colorless drawings by dot and line symbols. The Rondot coat of arms incorporated silver. The metal silver represents serenity and nobility.

Information available indicates that in 1972 there were less than 99 households in the U. S. with the old and distinguished Rondot name. In comparison, some family names represent over 400,000 households in the United States.

This report does not represent individual lineage of the Rondot family tree and no genealogical representation is intended or implied.

Dear Mr: RONDOT

I found your note on my desk in coming back from my summer leaves. I apologize for not having sooner answered you.

I was interested by your letter since our family surname is not common in France.

The roots of the family must be in Franche-Comte ^{definitely} since we are several families with the same surname there.

I have not made up the family tree. I only know that my great father Victor

RONDOT was born in 1844 in le Plain Doubs. The districts

DOUBS and Haute-Saône are best

Franche-Comte.

I was rather interested when receiving your letter because when I was leaving France for spending 2 years in New York in 1952-53, my father D: A Albert RONDOT told me that in the middle of the last century someone from the family left for the USA. I do not know whether it was one of my great father's uncle or one of my great father's older brother. My father said that the family never heard of him. Perhaps he was an unsuccessful migrant? -

We have run into
Franchette County where we have
the family papers. I will
look through them next time
when I will go there as to try
to find out where my
Great Father's father was born.
In our papers, I may find
something of interest for you,
since in 1938 or 1939 someone
was contacting my father
making up a family tree
for his wife born RONDOT. He
sent us document up to
1782. It seems that we had
to go further up to find a
common root with this person.
I knew that my Great Father
did wade up the family tree
but I never found it.

information on the RONDOT
in Canada?

My father Pierre RONDOT born in 1923
is a neurologist professor at Paris
University. He is invited to go to
Canada in the beginning of 1976.
If there are any RONDOT in the
province of Quebec it may be
interesting for him if someone
he come across one of them
in Montreal.

Sincerely yours

Donald

The attached may concern
I am in need of some information
pertaining to my family. I have not been
able to find it in either San Diego or
Encinitas Libraries.

My grand parents Joseph C. Kondot^{4th}
Frances M. Kondot. moved to California
in 1912 and were reported living in
Stockton. Would you check with City of
Stockton directory for the years 1912 and 1913
for a verification of this.

Should any information you are able to
find, I just hope it might show their
address and their occupation.

Thanking you in advance for any
help you may be able to give me.

Yours truly
Edward R. Kondot

Dear Frances and Al:

Here is the information that you requested about the Kondratieff instruction.

I don't know what is all that you need, but it looks like that it is all they have. I hope it will be of some use to you.

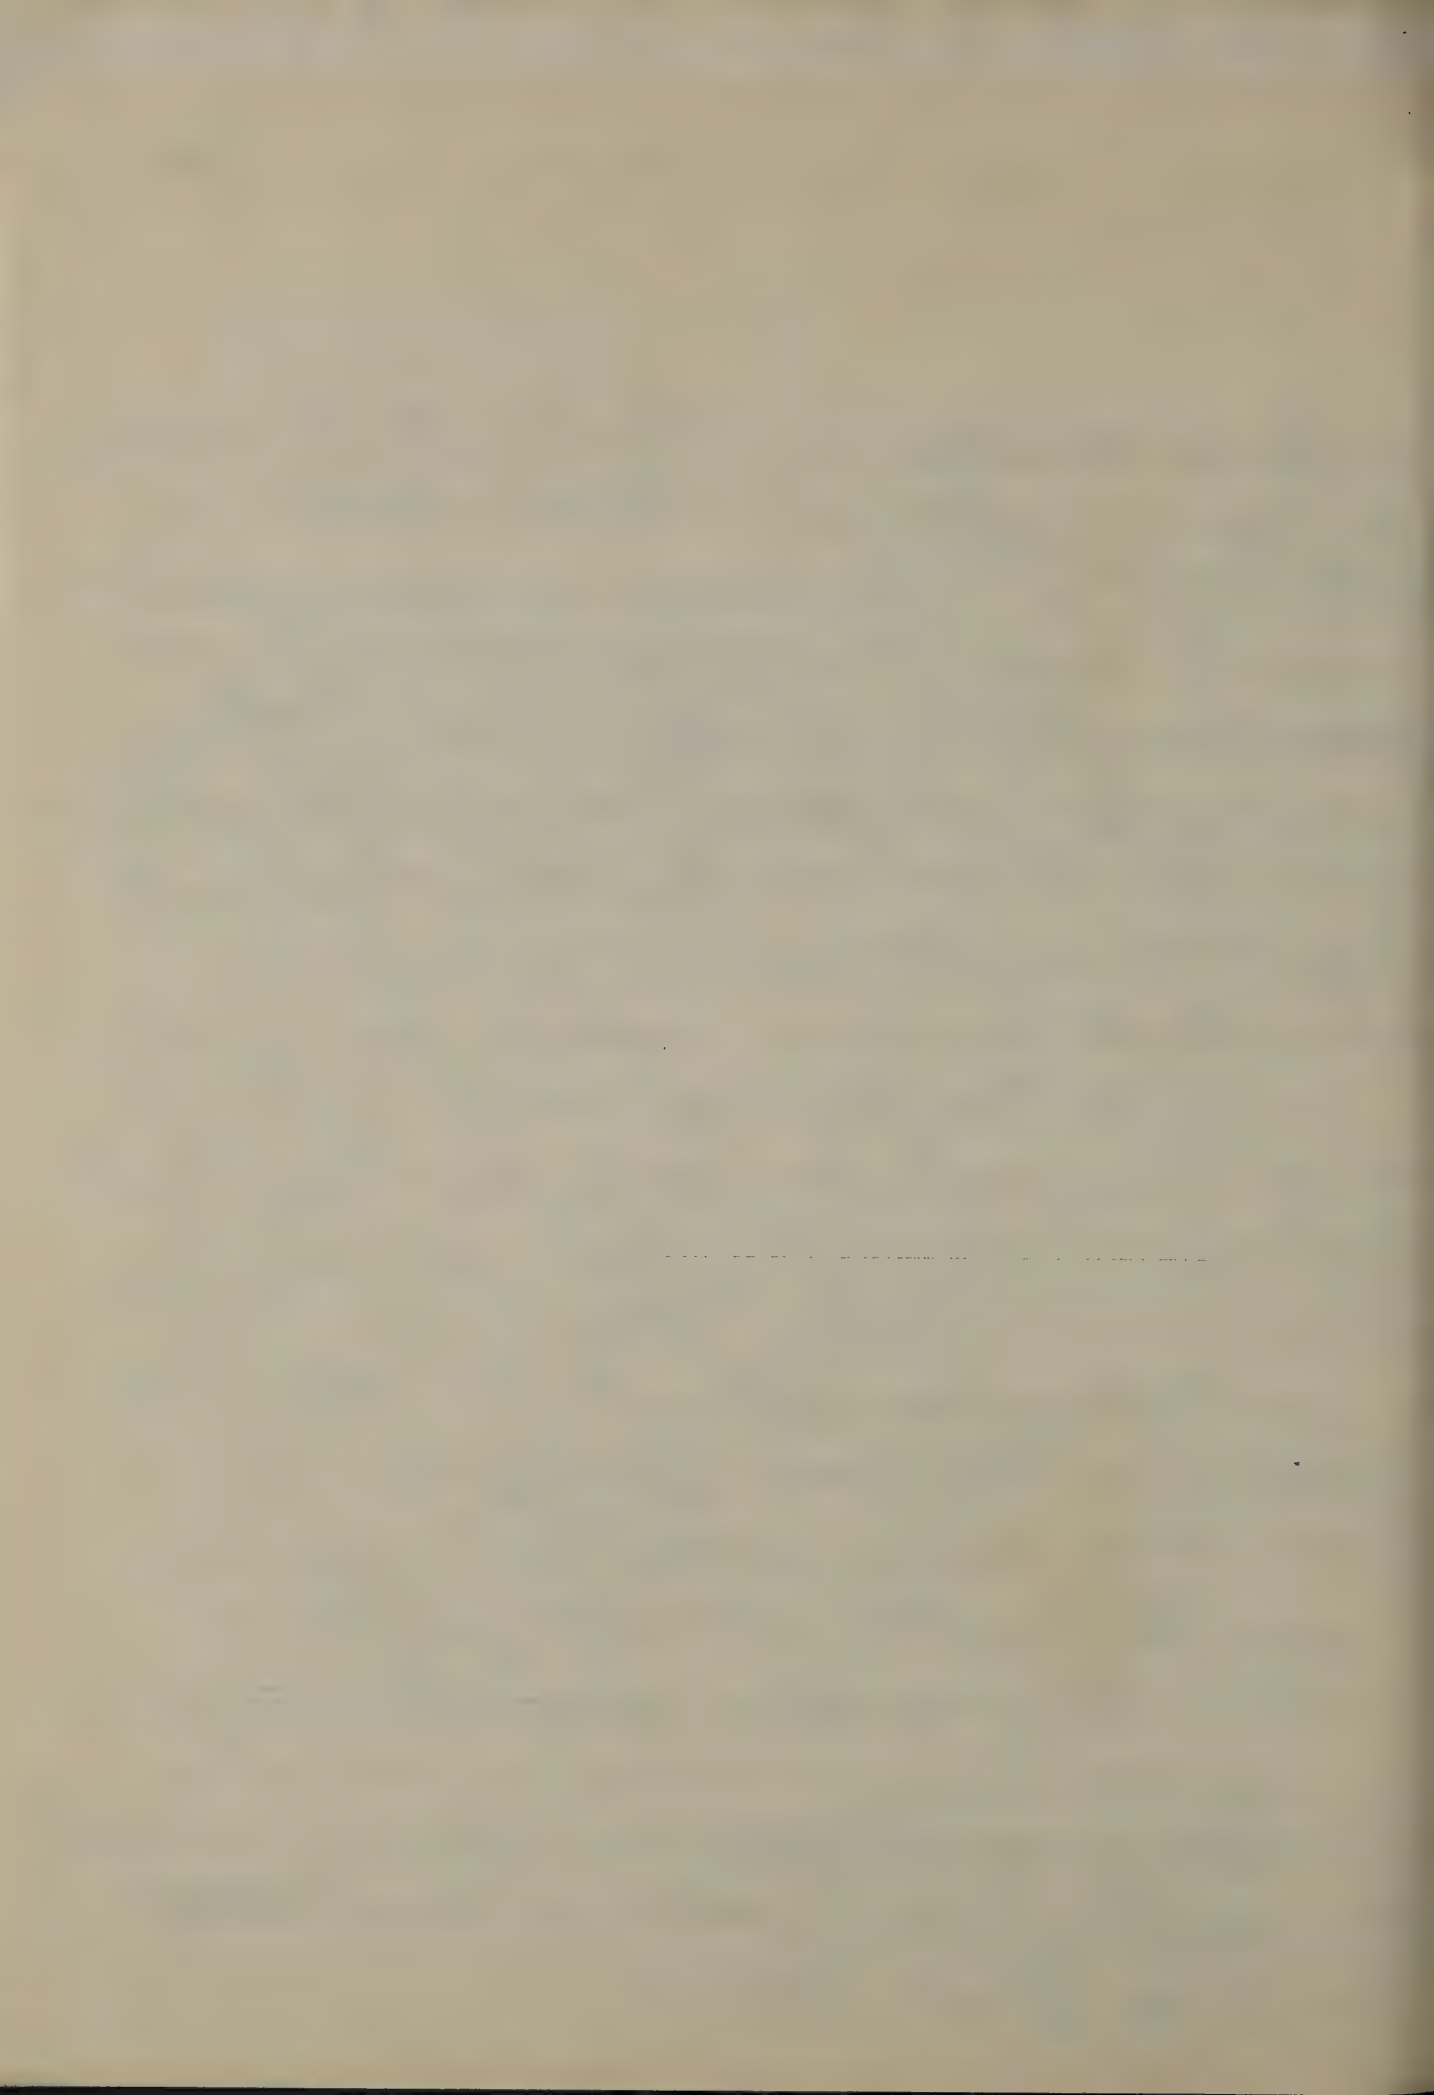

Well the flu bug is still with us as of this writing. Judy and her family are still under the spell, but both Alia and I have been spared so far.

I hope this note finds both of you feeling better and enjoying your unusually warm weather.

Write when you have time.

Love
Jeff

P.S. I see a letter that I received, thought you might be interested. I don't know how they got my name.

Rondot the Boilermaker

In the old days, boilermakers were the guys who built and repaired the boilers and other parts of steam engines.

The Central and the PRR had thousands of steam engines, and needed thousands of boilermakers in shops all over their two systems.

Steam disappeared, and boilermakers declined—but they're not a vanished breed.

There are 290 of them on Penn Central.

A few, like Richard R. Rondot, at the right, work in division shops. Most work in the large shops at Altoona, Pa.; Collinwood, O.; Harmon, N.Y.; and Wilmington, Del.

Versatile fellows, they repair bodies and platforms on diesels, make needed steel parts for diesels, do pressure welding on air reservoirs. In electrified territory, they work on pantographs of locomotives and on the multiple-unit passenger coaches.

And some still work on boilers—in power plants and wreck derricks.

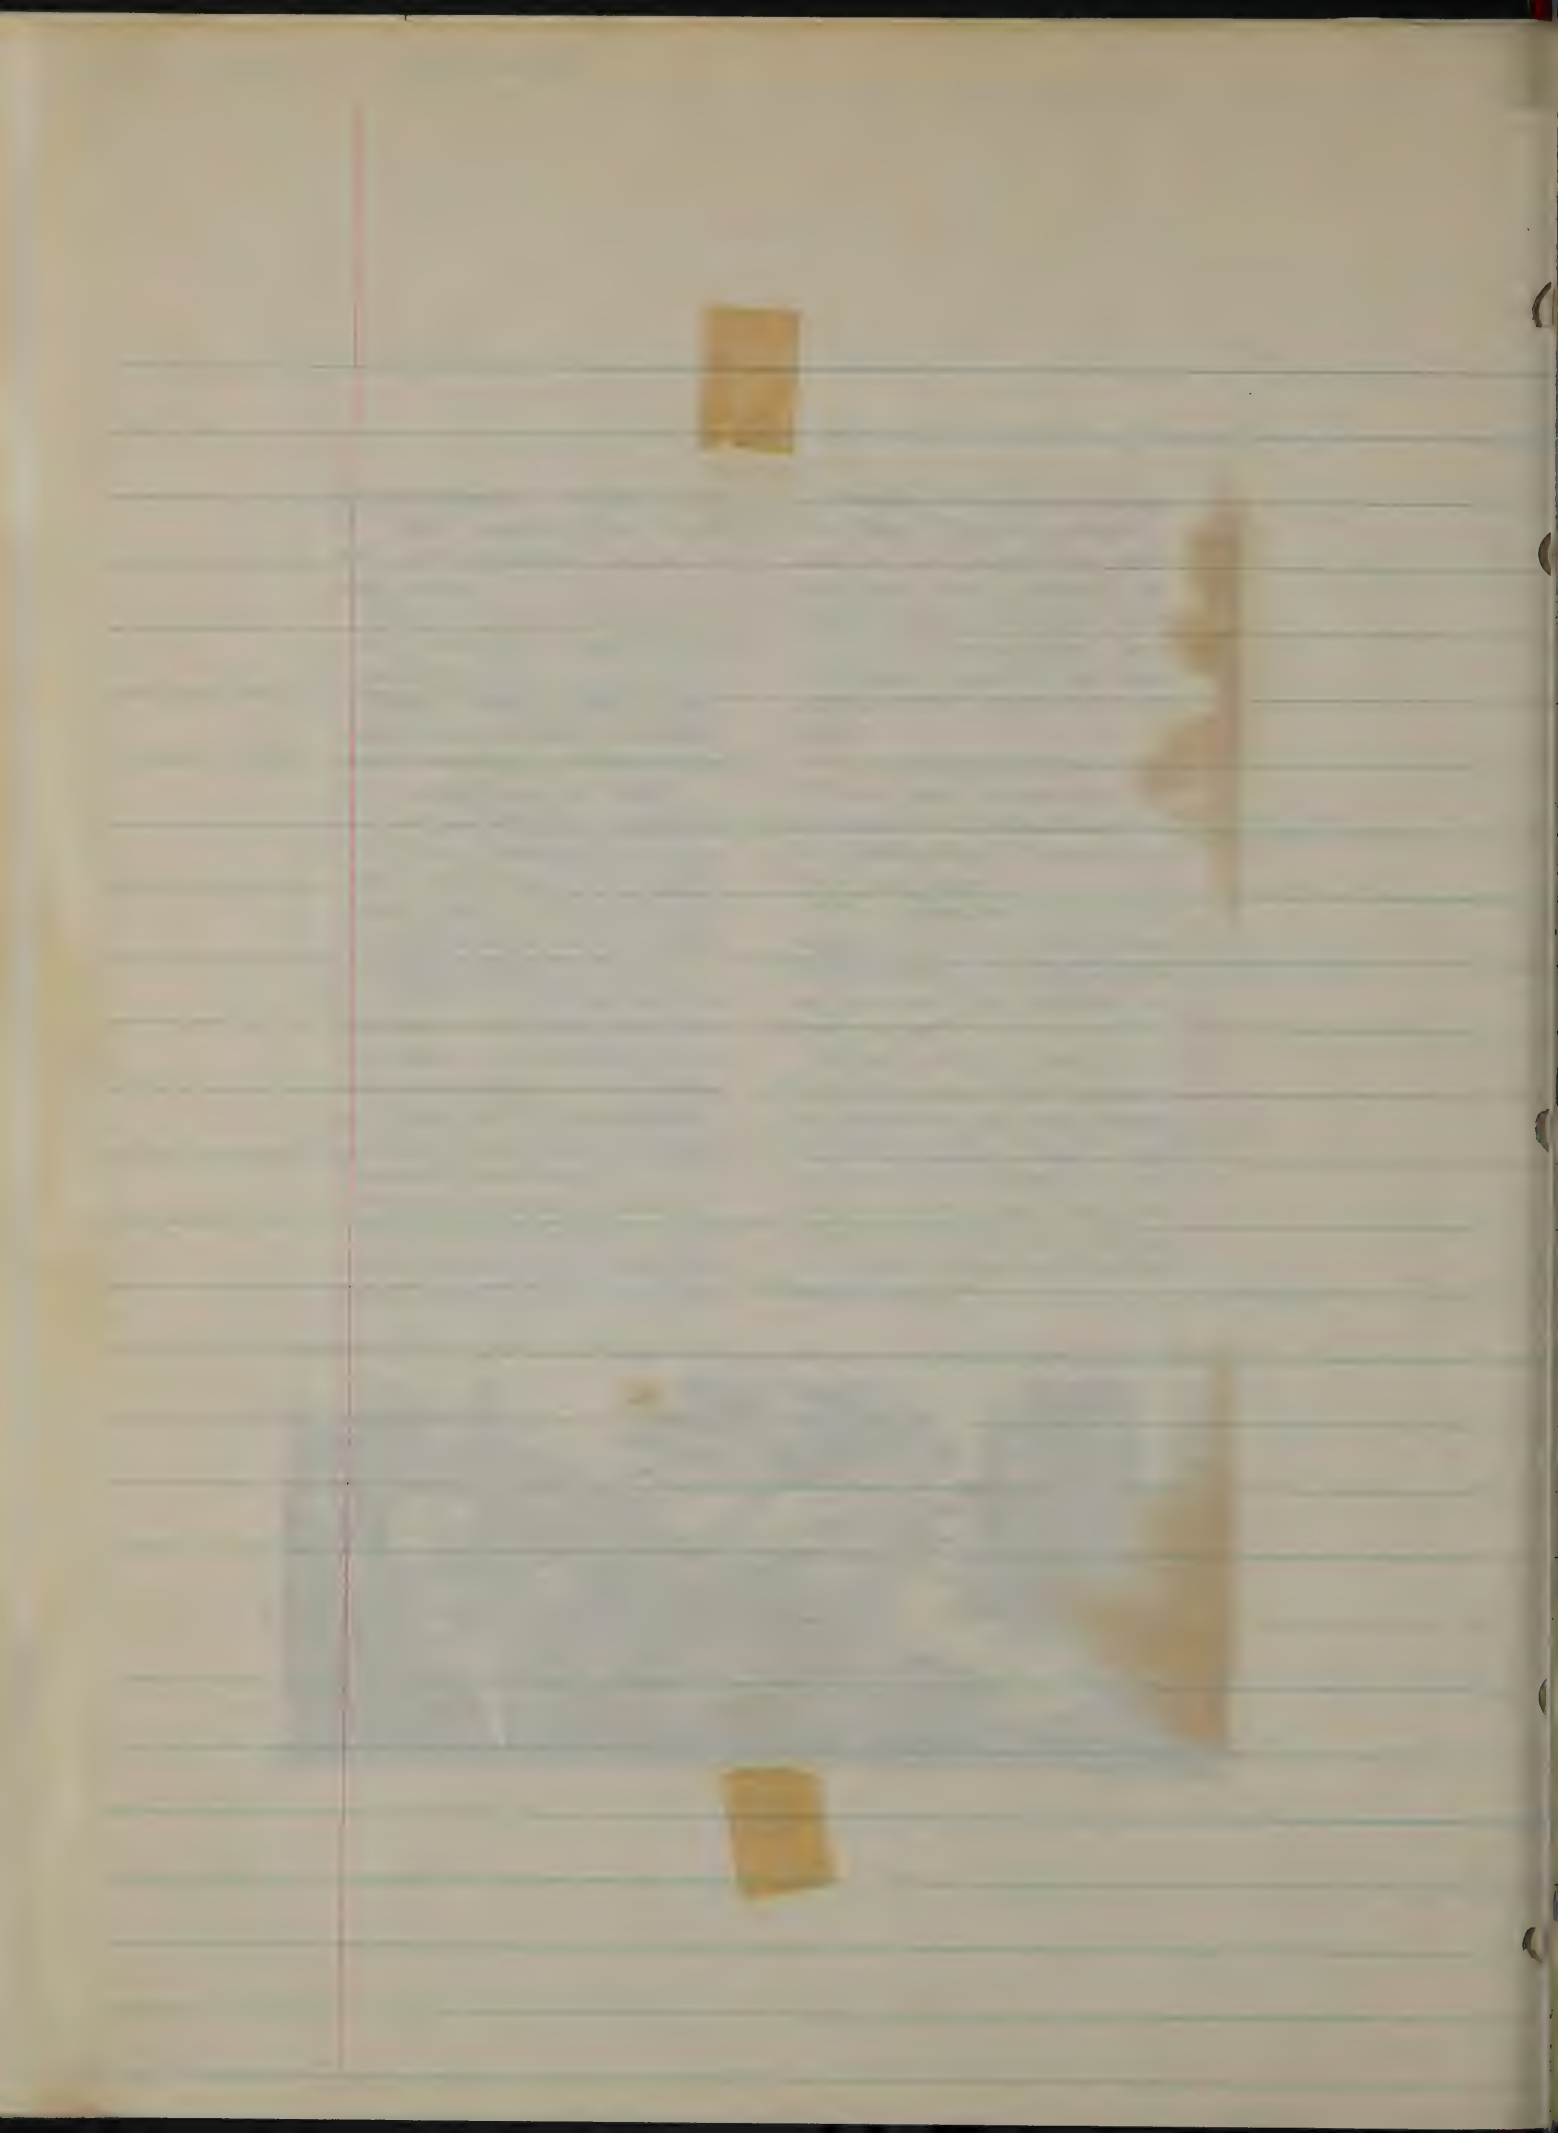

"I've got enough to do," says Mr. Rondot, who works in the main shop at the Fort Wayne, Indiana, enginehouse. "I'm a jack-of-all-trades around

here. Anybody needs a special part made, they come to me and I make it."

Mr. Rondot, who started on the railroad more than 30 years ago, still has a hankering for the steam era, with all its ashes, cinders and soot.

"The diesels are a lot more efficient—I know that," he says. "But they'll never take the place of steam engines for those who worked on them."

Copy verbatim on this form the information you find in the various records or books as you do your research. (You will find differences in records.) Make a separate sheet for each search or each name or family on your line found in a search. Then, after information has been extracted from all sources, you may easily make comparisons of statements, judge value of each, and record correct data on a permanent form such as A1, F1, F3 or F6. See The Sixth Edition THE HOW BOOK FOR GENEALOGISTS for additional suggestions regarding the use of this sheet.

Mr. Alfred B. Rondot

Dear Mr. Rondot,

Some time ago I was given a little clipping published in the Indianapolis Star "Hoosier Ancestors" column in which you ask a question about an Harry E. RONDOT. I don't know whether I can answer you question or not. However, I do have the following information that you can check very easily.

Julian Rondot married at the Cathedral 5/10/1881 Emma
Louise Lupton

There was a child born to this couple baptized at the
Cathedral October 3, 1881. I do not have the name of
the child.

You state that Alfred was born about 1882. This may be the child and you can ask the Cathedral to check that particular date for the child's name. This will be in the Baptismal Records at that date.

Are you interested only in Harry E. Rondot and descendants or are you working on the RONDOT family tree? I do have considerable early information on the Rondot family that I would be willing to share with you.

Sincerely yours,

Charles Banet, C.P.P.S.
Charles Banet, C.P.P.S.

P.S. I am from Fort Wayne and have a deep interest in the early French families of Fort Wayne and have collected information on them for many years. But I do not have complete and detailed information. Often I can fill in some holes for people.

& O. took them over. The B. & O. in turn again furloughed him. Brother Glass asked for his pension in 1937 after completing a railroad career of 53 years.

Wedding Anniversaries

Bro. J. A. Rondot, Div. 574

Recently celebrating their 50th wedding anniversary were Brother and Mrs. J. A. Rondot of Amarillo, Texas. They

BRO. AND MRS. J. A. RONDOT

received their friends at their home, 808 South Bryan Street, on this occasion, and were the recipients of many cards and telegrams of congratulation, as well as lovely gifts.

Brother Rondot, now 84 years of age, started his railroad career as fireman on

the G. R. & I. between Fort Wayne, Ind., and Grand Rapids, Mich., in 1880. After three years he was promoted to the right side, and two years later joined the B. of L. E. in 1885.

In 1887 he was chairman of a committee to ask for overtime after being on duty 12 hours. At that time, as he remembers, the pay for an engineer was about \$3.50 per trip, regardless of the number of hours it took to make it.

Later he went to the Ann Arbor Railway at Durand, Mich., then to the Grand Trunk, also out of Durand, and finally entered the service of the Fort Worth & Denver City Railroad, at Amarillo, Texas, October 10, 1907. Here he finished his last 20 years of railroad service, retiring November 1, 1927.

Brother Rondot belongs to Div. 574, Amarillo, Texas, having been a member of the B. of L. E. for over 54 years. His son, R. Rondot, now with the G. T. W. out of Detroit, Mich., also, his son-in-law, I. M. Littrell, with the F. W. & D. out of Wichita Falls, Texas, are both engineers, and belong to the B. of L. E.—R. D. McIVER, S.-T., Div. 736.

Bro. A. S. Graham, Div. 119

Brother and Mrs. Andrew S. Graham observed their golden wedding anniversary, May 14, 1940, with a quiet celebration in their home. Friends called on them throughout the day and evening to extend their congratulations and best wishes on this happy occasion. Many gifts, flowers and cards were delivered to the Grahams on that day.

They were married at the Third Presbyterian Church in Dubuque, Iowa, May

14, 1890. Mrs. Graham was formerly Mary Wiegand. Their home has always been in Dubuque, with the exception of one year when they lived in McGregor. Brother Graham, who is 75, and his wife, 74, are enjoying the best of health and it is hoped that it will continue thus.

Entering the employ of the Chicago, Milwaukee, St. Paul & Pacific Railroad as a brakeman, July 5, 1885, Brother Graham made his first trip braking with Engineer William Mullone, Fireman Charles Keenan, Conductor Elmer Shook and William Shook, another brakeman. This trip was made on the Preston-Reno line of the Dubuque division with locomotive 419. "Andy" made his first trip as fireman on August 20, 1888, with Engineer James Richman. Promoted to engineer, Brother Graham

Wedding Anniversaries

Bro. J. A. Rondot, Div. 574

Recently celebrating their 50th wedding anniversary were Brother and Mrs. J. A. Rondot of Amarillo, Texas. They

BRO. AND MRS. J. A. RONDOT

received their friends at their home, 808 South Bryan Street, on this occasion, and were the recipients of many cards and telegrams of congratulation, as well as lovely gifts.

Brother Rondot, now 84 years of age, started his railroad career as fireman on

the G. R. & I. between Fort Wayne, Ind., and Grand Rapids, Mich., in 1880. After three years he was promoted to the right side, and two years later joined the B. of L. E. in 1885.

In 1887 he was chairman of a committee to ask for overtime after being on duty 12 hours. At that time, as he remembers, the pay for an engineer was about \$3.50 per trip, regardless of the number of hours it took to make it.

Later he went to the Ann Arbor Railway at Durand, Mich., then to the Grand Trunk, also out of Durand, and finally entered the service of the Fort Worth & Denver City Railroad, at Amarillo, Texas, October 10, 1907. Here he finished his last 20 years of railroad service, retiring November 1, 1927.

Brother Rondot belongs to Div. 574, Amarillo, Texas, having been a member of the B. of L. E. for over 54 years. His son, R. Rondot, now with the G. T. W. out of Detroit, Mich., also, his son-in-law, I. M. Littrell, with the F. W. & D. out of Wichita Falls, Texas, are both engineers, and belong to the B. of L. E.—R. D. McIVER, S.-T., Div. 736.

Bro. A. S. Graham, Div. 119

Brother and Mrs. Andrew S. Graham observed their golden wedding anniversary, May 14, 1940, with a quiet celebration in their home. Friends called on them throughout the day and evening to extend their congratulations and best wishes on this happy occasion. Many gifts, flowers and cards were delivered to the Grahams on that day.

They were married at the Third Presbyterian Church in Dubuque, Iowa, May

14, 1890. Mrs. Graham was formerly Mary Wiegand. Their home has always been in Dubuque, with the exception of one year when they lived in McGregor. Brother Graham, who is 75, and his wife, 74, are enjoying the best of health and it is hoped that it will continue thus.

Entering the employ of the Chicago, Milwaukee, St. Paul & Pacific Railroad as a brakeman, July 5, 1885, Brother Graham made his first trip braking with Engineer William Mullone, Fireman Charles Keenan, Conductor Elmer Shook and William Shook, another brakeman. This trip was made on the Preston-Reno line of the Dubuque division with locomotive 419. "Andy" made his first trip as fireman on August 20, 1888, with Engineer James Richman. Promoted to engineer, Brother Graham

Former Amarillan Dies Here Monday

Funeral services for Mrs. Olive Rondot, who died at the home of her granddaughter, Mrs. Joe Willen, 1317 Sibley, Monday, will be conducted Thursday from Blackburn and Shaw Funeral Home at Amarillo.

Mrs. Rondot was a former resident of Amarillo. She is survived by a son, Herman Rondot, Amarillo; one step-son, Harry Rondot, Fort Wayne, Ind.; two brothers, Gus Stein, Kalamazoo, Mich., and Carl Stein, Detroit, Mich.; two sisters, Mrs. Florence Wood, Lansing, Mich., and Mrs. Roy Brown, Birmingham, Mich.; another granddaughter, Betty Jean Rondot, Stockton, Calif., and two grandsons, I. M. Littrell Jr., Wichita Falls, and Jimmie Littrell, in the navy.

The body was shipped to Amarillo Monday by Mervle Undertaking Company.

Anniversary Celebrated

Sixty friends called at the home of Mr. and Mrs. J. A. Rondot, 208 Bryan Street, to celebrate the couple's golden wedding anniversary Sunday afternoon.

Yellow roses, jonquils and sweet peas decorated the living room where Mrs. Rondot and Mrs. Joe Willen of Wichita Falls received the guests. Mrs. Rondot wore a corsage of yellow rosebuds and violets, and Mr Rondot wore a yellow rosebud boutonniere.

Presiding at the tea services during the open house were Mesdames Leo Hoskins, John Shepherd, H. A. Somerville, and I. M. Littrell of Wichita Falls. A wedding cake decorated the table.

Out-of-town guests were a son, Herman Rondot, of Los Angeles; a granddaughter, Mrs. Joe Willen, and great granddaughter, Carol Joyce Willen of Wichita Falls; a grand-son, Jimmy Littrell of Wichita Falls, and Mrs. I. M. Littrell.

The couple's only other living child, Russell Rondot, of Detroit, was unable to attend.

The celebration fell on the 100th wedding anniversary of Mrs. Rondot's paternal grandparents, the late Mr. and Mrs. J. M. Stein of Kalamazoo, Mich., where Mr. and Mrs. Rondot were married.

Gifts, cards, telegrams and telephone calls of congratulations were received by the couple throughout the afternoon. Music for the occasion was provided by the Blackburn-Shaw quartet.

Couple Will Celebrate Anniversary

Mr. and Mrs. J. A. Rondot, 208 Bryan Street, Sunday will celebrate their golden wedding anniversary with open house at their home. Their many friends are invited to call from 3 until 5 o'clock in the afternoon.

The former Miss Olive Stein and Mr. Rondot were married in Kalamazoo, Mich., Feb. 18, 1890. The couple moved to Amarillo from Michigan 32 years ago.

Their two children, Russell Rondot of Detroit and Herman Rondot of Los Angeles, will be unable to attend the celebration. A granddaughter of Mr. and Mrs. Rondot, Mrs. Joe Willen of Wichita Falls, is here for the occasion and Mrs. I. M. Littrell and I. M. Littrell, Jr., and Jimmy Littrell of Wichita Falls are expected to be here Sunday for the open house.

Dear Mr. Rondat -

Your letter was misplaced and I
have just run upon it. Sorry for
the delayed reply.

Enclosed are the annotated worksheets
you sent. I don't have complete info on
my mother's second marriage, but have
furnished her address in case you want
to acquire more than she's given.

My oldest daughter is preparing to
make me a grandfather in October, and
I don't feel that old yet. All love and
well.

Copy verbatim on this form the information you find in the various records or books as you do your research. (You will find differences in records.) Make a separate sheet for each search or each name or family on your line found in a search. Then, after information has been extracted

from all sources, you may easily make comparisons of statements, judge value of each, and record correct data on a permanent form such as A1, F1, F3 or F6. See The Sixth Edition THE HOW BOOK FOR GENEALOGISTS for additional suggestions regarding the use of this sheet.
